

MONKEY BUSINESS

Critical Praise

Way better than sliced bread!!

Profile:

Monkey Business Merlot is a blend of fruit that comes straight from the jungle of grape vines that is Northern California. We make sure that the monkeys coming out of our barrels are from the finest grapes so that anyone can enjoy a great wine at a great price any time.

Pairing Recommendations:

Monkey Business Merlot is going to pair perfectly with anything chocolate. This wine is going to intensify the cocoa on the taste buds so see if you can find yourself a chocolate covered banana.

Recycling Recommendations:

Continue to monkey around once the bottle is empty by gathering your friends in a circle for a rousing game of Spin the Bottle!!!!

Alcohol: 14.2 %

2005 Merlot Sonoma County

“Monkey Business is a wine made simply for your fun and enjoyment. We take the mystery out of the wine industry and provide you with great wine that you can enjoy with your favorite foods or savor with friends on any occasion. Take one sip and appreciate the burst of fruit that is like a three ring circus in your mouth. Its not just wine when it’s Monkey Business.”

-The Head Monkey

Tasting Notes

Monkey Business merlot goes straight for the taste buds with its complex layers of ripe berries. The peppery nose and spicy notes make it an unique wine sure to bring out the monkey in us all.

Other Notes

Monkeys have an IQ of 174!
